October 6, 2005. Issue 3

Dear Members,

Welcome to the third and final issue of Biz-ography for 2005!

Once again, thank you for supporting this publication; it would not be possible without your contributions.

We believe that your profile is being viewed by many, and would gladly welcome feedback or information about new business connections that you may have established due to being featured in the Biz-ography.

In preparation for 2006, we will be focusing on implementing initiatives that will further increase the value of your membership. We are looking to increase the frequency of networking events, expand the membership benefits package, and put into operation a Business Mentoring program. We are excited about these initiatives and are open to any further suggestions that you may have.

This issue is comprised of a diverse group of organizations, from the emerging business to the familiar and recognizable members of the Bermudian Business Community.

Once again, if you are a new member or a long standing member that would like to be featured in our quarterly supplement, please feel free to contact me by email at joconnor@bcc.bm.

Until next year!

Thank you,
