

Latest News

Richard Savard, Vice President & Chief Executive Officer, BAS-Serco Limited and Chairman of the St. George's Chamber Division, represented the Chamber at a dinner at Fred Ming's Landfall Restaurant on Tuesday, May 23rd along with 11 Directors and spouses from the Orange County Chamber of Commerce who arrived in Bermuda on board the Zenith cruise ship.

Orange County Chamber of Commerce is huge! 2300 members, large full time paid staff with a budget of \$8M plus. President Dr. John D'Ambrosio advised that they pay top dollar to recruit and retain staff members and it clearly shows with most junior members of staff being in place for 6 years or more.

Chairman, Dr. Kunwar Magpal, has visited Bermuda at least two or three times a year for the last 30 years. He and Fred Ming met many years ago via Rotary and the friendship has grown from there.

Richard Savard had the opportunity to speak at great length with the President of the Orange County Chamber, Dr. John D'Ambrosio, Ed Diana, Country Executive, and Jim Smith, Chairman Elect. Great networking opportunity for our Chamber Executive and an opportunity for us to learn more about an International Chamber and some of the issues they face.

Ed Diana was interested to know how we talked Jet Blue into serving Bermuda; he has been trying to get Jet Blue to their airport for some years now.

Richard Savard welcomed the group on behalf of the President and Executive Vice President, presented them with mementos and enjoyed the rest of the evening networking.

Thank you to the Chairman of the East End Division.
